"The Cuba AIDS Project a non-profit, non-religious and non-political organization that directly supports Cuban HIV/AIDS patients. We respect the dignity and humanity of all patients, as well as the laws of both the United States and Cuba, at all times." UPDATE on LICENSE STATUS as of August 1, 2012:

After 16 years of consistent renewals, OFAC has determined NOT to renew our license for 2012 due to changes in OFAC regulations.

This, along with the death of Msgr. Fernando, has put an end to the project. We do NOT have the ability to issue any license for travel to Cuba. Please note our EMAIL ADDRESS: [cubaaidsgmail.com](mailto:cubaaidsgmail.com) NEWS: October 15, 2011 - Father Fernando, our project leader in Havana, has unexpectedly passed away. He will be sorely missed but arrangements have been made for the project to continue. Rest in peace Father Fernando....

We regret to notify CAP travelers that Maria Teresa from Cienfuegos passed away from complications from AIDS. She was a 40 year old mother of four who was an integral part of our project since 2002. She will be sorely missed by her family and the Cuba AIDS Project.
